RESPONSE AREA MONTHLY NEWSLETTER

Hickory Grove Response Area Two

November 2013

Welcome to all my readers;

Thank you for taking the time to read another edition of ON THE BEAT; this is the forum where I can share information about the Hickory Grove Division Response Area 2. Fall is here and it is getting darker sooner. Please be careful when driving home from work, also be mindful that this is the time of the year that the deer are moving about so look for those glowing eyes along side of the road and slow down. Thanksgiving is this month and if you are going out of town, please let your trusted neighbors know to watch your house for you or you can call us to set up a zone check.

Thank you for taking the time to review another issue of my newsletter. If you have anything you would like for me to add or to pass on here, please feel free to email me at [ebrady@cmpd.org](mailto:ebrady@cmpd.org) and I will do my best to include it in future issues.

Thanks again for staying engaged in this community and making it a safer place for all.

*Lieutenant Eric Brady*

## Crime Stats for the Month

### Percent Change

Comparison is from  
10-01-2012 through 10-31-2012  
10-01-2013 through 10-31-2013

### Percent Change

Incident Type	Previous Count	Current Count	Difference	Percent Change

Larceny-Shoplifting	10	5	-5	-50.00 %
Residential Burglary	19	10	-9	-47.37 %

As you can see by the chart above, we have noticed a decrease in residential burglaries. My hope is we sustain this going into the holiday seasons. You will see some safety tips below on Holiday shopping. Please be aware of your surroundings while shopping and secure packages in the trunk or hatch area of your vehicle where they can be concealed until you are home. Don't leave them in your car.

I am still addressing and working on the undesirable activity at and surrounding the BP Gas Station located at Milton and Sharon Amity Road. We will continue our efforts there and welcome any information or suggestions that you may have.

Thank you again

Lt Brady

## Holiday Shopping Tips

During this time of year The Charlotte-Mecklenburg Police Department would like to remind you of some helpful Holiday Shopping Safety Tips so that you may have a happy and safe holiday season.

### **Safety in the Parking Lots**

1. Park and walk in well-lit areas.
2. Walk with confidence be aware of people around you, and know where you parked.
3. Always lock your car doors after leaving or entering your car.
4. Have your keys in your hand so that you don't have to linger before entering your car. Check the back seat before you get in.
5. Don't leave packages on the car seats. Keep packages out of sight in the trunk or under a covered rear cargo area.

### **Safety While Shopping**

1. Pay with checks or credit cards when possible. Don't flash large amounts of cash.
2. Don't leave any purchases or your purse unattended while shopping or in a dressing room.
3. Try to carry as little as possible. Make multiple trips to your vehicle to store your purchases.
4. Never leave your children alone.
5. If your children get separated from you, teach them to find a cashier or a security officer and ask for help.

The Charlotte-Mecklenburg Police Department has launched a program intended to target felons carrying firearms in our community. The program will urge members of the community to call a dedicated phone line and forward anonymous information with the identity and whereabouts of a felon in the possession of a firearm. The anonymous caller will be eligible for a \$500.00 reward if an arrest is made as a result of their anonymous tip. Additionally, anyone in the public who forwards information leading to the arrest of a person illegally carrying a firearm may be eligible for a cash reward.

**During this campaign the community is asked to call our firearm tip line at 704.336.6000** to speak with a dispatcher. They will need to give the name and or detailed description of the suspect, and where the person is at the time of the call.

When the citizen calls to report a felon is in possession of a firearm, the following information should be obtained:

› **Location**

Where is the felon located at this time? Where do the police need to respond to locate the felon?

› **Event Type and Subtype**

The event type for the call is WP FWF- Weapon Felon with Firearm. The subtype should be Just Occurred. This combination will enter the call as a priority 2 event.

**Felon's name**

What is the felon's name and how does the caller know they are a felon?

› **Description**

Ask the caller for a complete description of the felon including clothing.

**Direction of Travel**

If the felon is on foot, what direction are they walking toward or from?

**Special Note** - If the felon is in a moving car, enter a BOLO message with description of both the felon and vehicle including the direction of travel. Do not enter a call for service. Advise the caller that a broadcast has been entered but because the felon is in a moving vehicle a call for service will not be entered.

› **Weapon Information**

What type weapon and a description of the weapon? What is the location of the weapon? If the felon is carrying the weapon, does the caller know where, on the person, the weapon is?

› **Contact Information**

If the caller will leave call back information, enter the information into the call. If the caller refuses to give call back information, DO NOT enter any call back information in the call. ANI information should not be entered if the caller refused.

**Case Numbers**

The caller will receive a monetary reward for their call if the felon was actually located and arrested with the weapon. To determine the outcome of their call and collect the reward, the caller will need to contact Crime Prevention. They can contact Crime Prevention after the next two business days. To track the call that was entered for this caller, a specific set of numbers called Case Numbers must be assigned to the event and given to the caller.

**Dispatching the Event**

The call will enter the queue as a priority 2 and should be dispatched accordingly. Priority 2 events are dispatched as priority 1 events by dispatchers and responded to as priority 3 events by officers. DO NOT give caller information to the officer if the caller did not agree to provide the information. ***Callers will not be required to leave their name, number, or address.*** Detective Marty Cuthbertson with the **Charlotte-Mecklenburg Crime Stoppers** will follow up on the dispositions of these anonymous calls and will arrange a time and date to pay out reward money to the caller when applicable. As always, anyone requiring an emergency response from police is asked to immediately call 9-11.

# Crime Prevention Tips

Crime can happen any day to any one regardless of where they live, what they do for a living, or who they are. Although people live under the threat of crime every day, there are steps that one can take to help prevent them from being as easy target. Being aware and prepared can help many avoid the various dangers presented by criminals seeking easy targets. The following crime prevention tips can help individuals and families take control of their lives and households to help make them less of a target for criminal activity.

## Home Security and Safety

- Follow strict security procedures in the home, such as locking all doors and windows when leaving, even if it's just for a short time.
- Learn to recognize who belongs in the neighborhood. Report suspicious activity to the police.
- Provide visibility around the house by leaving lights on after dark or having motion detector lights around the property. This ensures that there are no dark areas around the house in which a person could hide.
- Always lock doors even if someone is home. Unlocked doors are the easiest way for a criminal to enter a household.
- Never let anyone know that there is one person alone in a house at any time. Do not tell people at the door this information. Also, do not post this information on social networking sites.

## Vehicle Security

- Try to park in well lit, open areas, and in view of security camera. The more populated and secure the area, the less likely a robbery will occur.
- Never leave valuable items out in the open in a vehicle. Either remove them from the car or place inside the glove box or under seats where others cannot see them.
- While driving, keep doors and windows locked to prevent a carjacking. Also, always lock car doors when leaving a vehicle.
- When walking back to a parked car, look underneath vehicle and in back seat after entering a car to make sure no one is under or in the car.
- Do not leave helmet or riding equipment with a motorcycle after parking it.
- Cover a motorcycle when unattended. Many thieves look to steal certain models and will be unwilling to risk setting off an alarm when lifting the cover.
- Chain and lock bicycles to a secure unmovable item when leaving it unattended
